Re: Loeb v. County of Suffolk, et al.
Index No.: CV15-0578 (JS) (GRB)

Dear Judge Seybert:

I represent defendant Detective Christopher Nealis in the above-referenced action.

Without conceding that this is probative of anything, I write to confirm that by not submitting any opposition, defendant Nealis has no objection to the pending motion for a stay pending resolution of related criminal matters (Docket # 39).

Thank you for your consideration of this submission.

Respectfully submitted,

Garrett W. Swenson, Jr., Esq.
